**PACEM currently is registered and/or partnered with trusted local firms to legally work in the following countries:**

Afghanistan, Pakistan, Kurdistan, Iraq, Ukraine, Kenya, Somaliland, Nigeria, DRC, Brazil, Malaysia, Dubai

PACEM Solutions International is headquartered in Washington, D.C. and has a global footprint through local partnerships and sole company registrations. Our team of experts have identified specific regions that either require, or benefit PACEM and our clients, to have local partnerships.

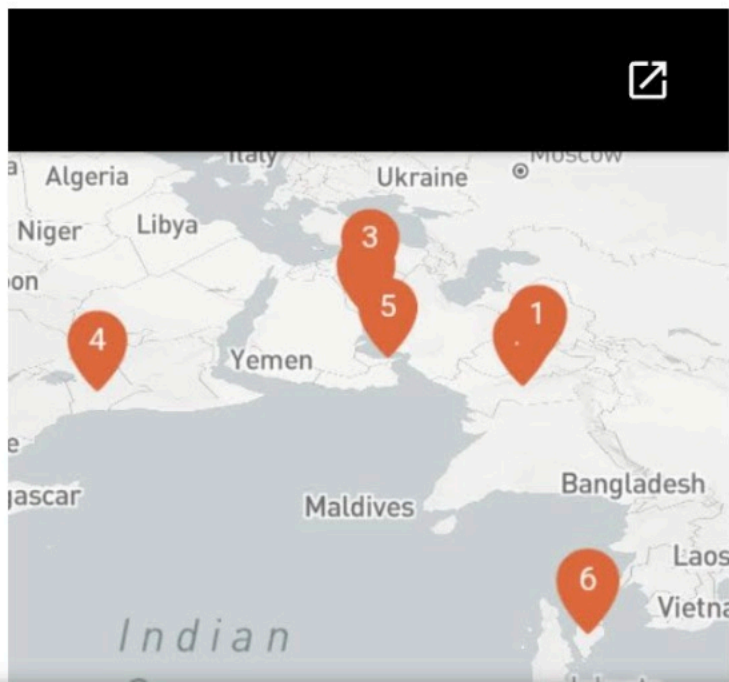

Our primary goal is to ensure our clients have the most effective, project efficient, safe, secure, and permissible working environment. In our experience the host nation governments can make this difficult for organizations supported by a solely owned international risk management or security firm. It's for that
